Testimonial for Alienation

The students at St. James gave their rating about Alienation. Of the 55 responses, 81% of the students gave a rating of 4 stars or higher (excludes students giving no rating). One student gave a 6 star rating (They had to add stars to the chart). 13 students missed giving a rating. Only 55 of over 300 students at the presentation were asked to respond.

TESTIMONIALS

GRADE 6

- They really explained things well.

GRADE 8

- I really liked how they put personal quotes related to their stories.

GRADE 9

- Amazing! I really liked how the stories relate to what all of us will go through (high school). Alienation is just wonderful, keep it up guys!!!
- I truly thank Alienation, because they have made a very important moment in my life. I don't have enough words to thank them for what they shared.
- I really liked the switching between stories.
- Interesting stories, they were deep.
